**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a private business owner I think that we should keep those places in business so major corporations dont benefit from small businesses that are trying to accomplish great customer service and support clientele making our bills exact same every single time versus all the competitors that are out there like AT&T and Cox Cable I have really destroyed the industry by charging way too much
